Join us for an equine photography weekend and turn that dream into reality!

Discover the magic of capturing the beauty, grace, and spirit of the Lusitano horses at Escola de Equitação de Alcainça.

This workshop will introduce you to the basics of digital equine photography, guiding you through the steps of capturing both portraits and action shots with our beautiful horses.

## **Program**

### **Saturday, October 05, 2024**

Regular riding program with 1 or 2 lessons per day.

Afternoon: Introduction to the principles of the exposure triangle (aperture, shutter speed, and ISO) followed by hands-on-sessions where you practice capturing portraits and action shots (approx. 4 h).

### **Sunday - October 06, 2024**

Morning: Sunrise session where you capture the magic of horses in the soft, golden light of dawn, followed by an introduction to composition and how to set the mood in your equine photographs.

Afternoon: Hands-on-sessions with the horse & rider combination as well as insights into the post production workflow.

#### Learning objectives

By the end of the workshop, participants will be able to:

- Adjust camera settings for capturing horses, both in portraits and in motion
- Manipulate the exposure triangle to achieve desired creative effects
- Convey moods through framing, composition, lighting, and other aesthetic choices
- Edit photos in the post production workflow

## Costs

Supplement person for participation at the 1 ½ day Lusitano workshop: EUR 250

The following services are included:
